HILL CENTER BRENTWOOD

Offering upscale office space, boutique retail, and an AC Hotel by Marriott, Hill Center Brentwood brings a sense of “downtown” to Brentwood’s city core. As the front door to Maryland Farms, home to over 5 million sf of office space, this new office and retail center brings a lively bustle while maintaining a local community.

Bordered by Maryland Way and Franklin Road, the development offers high visibility with ample flow via multiple signaled entrances, alleviating traffic flow while offering ease of access to patrons and tenants.

The center is ideal for businesses as it offers walking trails in the adjacent Maryland Way Park and walkability to restaurants and retail. Employees can enjoy these amenities in addition to the quality of their facilities, thus creating an optimum working environment for businesses to thrive.
