

FOR SALE, GROUND LEASE, OR BUILD-TO-SUIT

1.48-ACRE CORNER LOT

Highly Visible West End Location on the Corner of
West End Ave. and 29th Ave.

SOUTHEAST VENTURE

OPPORTUNITY

Situated in the highly visible West End area, this 1.48-acre site offers prime development potential near Centennial Park and Vanderbilt University. Featuring a Multi-Zone Overlay/Urban Zoning Overlay (UZO), the property supports a range of uses, including residential, hospitality, office, retail, and mixed-use development. Positioned for easy accessibility, the site benefits from entry via both 29th Avenue and 30th Avenue, along with a signalized intersection at 29th and West End Avenue ensuring high visibility and ease of entry. The site presents a rare opportunity for development in one of Nashville's most sought-after locations.

DISCOVER WEST END

Image from The Library of Congress

West End is a prominent neighborhood in Nashville, Tennessee known for its dynamic urban energy, academic prestige, and cultural landmarks. Situated just 3 miles from Downtown Nashville, West End is home to several of the city’s most prominent institutions, including Vanderbilt University, Vanderbilt Medical Center, TriStar Centennial Medical Center, and Ascension St. Thomas Hospital.

The neighborhood also features Centennial Park, a popular urban green space with the iconic Parthenon replica, scenic walking trails, and a sports complex that hosts various recreational activities. West End offers a unique blend of cultural attractions, residential charm, and thriving commercial developments, making it a central hub for education, healthcare, and leisure.

The subject property is ideally positioned within West End, just a short walk from Vanderbilt University, offering convenient access to major institutions, vibrant commercial corridors, and sought-after residential areas, making it a prime location for development.
